- If I lose a match or play below my normal standard, I won't make excuses.
- I won't show any temper or bad feelings during play and will apologise immediately if I do.
- I won't use bad language or make derogatory remarks about my own or another's play.

Respect my Opponent and Fellow Players

- I will treat my opponent or fellow player the way I would like to be treated.

and above all else ... **be kind to Each Other**

- On the day of a competition I will show support for my team colleagues ... before during and after play.
- Before and after the day of competition I will support my team colleagues ... and, if necessary, go out of my way to ensure they are "OK", particularly if they have played below their normal standard.
- I will not engage in any form of communication with my fellow players that is not supportive of them.
- If I have an issue about a fellow team member and their behaviour or communication with me, I will raise it in a professional way with my team management.
